## At The Black River Barn

### Welcome Back Summer Time!

Good to have ya back. With all this great weather this Spring we are able to get things rolling with the outside patio, catering and all the great events you all have come to expect from us at the Barn. The Patio has been whipped into shape to accommodate our a la carte diners as well as the BBQ Catering, and look for our Brazilian BBQ starting soon on the patio for the weekends. Don't worry though we will have our summer favorites as well like fresh oysters, clams, fire grilled BBQ steaks, Ribs and even Lobster Clam Bakes. The Sangria & Beer Bucket Specials as well. So no matter what the occasion, from a leisurely week night dinner, hour escape from the office or your picture perfect rehearsal dinner the Barn will have it covered. So thank you to the greatest customers in the world, for making this **You're Hometown Restaurant**.
