## At The Black River Barn

### Hoof Notes: From The Winter!

One Last Snow Storm, reminded us that winter will not go gentle in to the night, but fear not, Spring is just around the bend. Looking back and shining a light on all that Winter darkness brings back great memory's of our festive Xmas season, boy did the Barn look picture perfect with all the decorations, writhes, and poinsettias. We rocked out the New Years with a Champagne toast dance fest, courtesy of one of our great local bands. We ended the football season with a Superbowl buffet party fit for a Pro-Bowler, we filled the back room with every tailgaters dream feast, 6 foot Hoggies, BBQ Pulled Pork, Buffalo Wings, full Leg of Lamb, a real NY Style hot dog carte, Taco Station, prizes, giveaways, and the great game only added to the excitement. Valentines Day brought many couples out to Wine & Dine fireside, Filet Mignon Oscar, Stuffed Filet of Sole w/ Shrimp Mousse, and Wild Mushroom Ravioli w/ asiago alfredo sauce, set the mood just right, our roses and chocolates for the ladies didn't hurt either. See, the Winter season has it's moments to, when it snows, build a snow man.... and thank you to all our new and old customers for making **The Barn You're Hometown Restaurant.**
